Agatha Christie's "Ten Little Indians" was presented November 20, and 21 by the Senior Class of 1981.

The story takes place in a very large old mansion on an island, where eight assorted guests are invited by an unknown host. The butler and the maid do not even know their employer. Each "Little Indian", as the nursery rhyme goes is killed off as the story progresses.

The final scene ends as the Judge, Sir Lawrence Wargrave, (Jim Rasor), turns out to be the murderer. He in turn is killed by Philip Lombard, (Dave Reardon) who saves Vera Claythorne's (Bonnie Smarch) life. Under the direction of Miss Butler the cast and crew put together a very big production this year.

"Hello Dolly!"

"Hello Dolly!" is the story of Mrs. Levi's efforts to marry Horace Vandergelder, the well-known half-a-millionaire, and send his money circulating among the people like rain water the way her late husband, Ephram Levi, taught her. Along the way she also succeeds in matching up the young and beautiful Widow Molloy with Vandergelder's head clerk, Cornelius Hackl: Cornelius' assistant, Barnaby Tucker, with Mrs. Molloy's assistant, Minnie Fay; and the struggling artist Ambrose Kemper with Mr. Vandergelder's weeping niece, Ermengarde. Dolly tracks Vandergelder to his hay and feed store in Yonkers, then by train back to Mrs. Molloy's hat shop in New York, out into the streets of the city where they are all caught up in the great Fourteenth Street Association Parade, and finally to the most elegant and expensive restaurant in town, the "Harmonia Gardens," where Dolly is greeted by the waiters, cooks, doormen and wine-steward in one of the most famous songs in the history of American Musical Comedy, "Hello Dolly!" Under the direction of Mrs. Campbell, the cast and crew pulled together a very large production. The chorus lines and show tunes, including the famous "Hello Dolly!" inspired a very pleasing response from the audiences who viewed this year's all-school musical on March 12, 13, 14.

1. "Well hello Dolly! It's so nice to have you back where you belong ..."
(Denise Golubinski)

'80 Musical Once Upon A Mattress

Many moons ago in a far off place lived a handsome prince with a gloomy face because he did not have a bride. "Oh woe is me!" he sighed and pined, but alas the prince could not find a lass who would suit his mother's pride. Until one day a princess from far away made a play for the prince's hand. "I'm the princess lost," quoth she. But the Queen was cool and remained aloof, and she said, "Perhaps, but we'll need some proof. I'll prepare a test and see."

A Class of "Musical Chairs"

Under the direction of Mrs. Campbell the choir had a very busy year. A concert was given for the elementary schools and Woodland students in May. Each member wore costumes from the Muppet Show and the movie The Wizard of Oz. Selections were sung from each. The choir completed the year by singing for the Senior Concert in June.

1. "You've Got to be Taught Before it's Too Late ..." sang Mrs. Campbell, director.
2. "Show Me the Way to Go Home ..." was the little ditty this group warbled.
3. Lisa Williams, costumed for the musical, sings soprano for the choir.
4. A first-hour choir student, Vivian Woolman, also is part of "Helly Dolly."

Sigh of relief was the expression of many people at 8:00 on the night of January 24, 1981. The class's theme was "Sailing to Paradise". The prom was held at SC-4 in Port Huron. Juniors come Alive

Teachers and students are amazed! The steering committee of 1982 is finally getting organized. This is the first year that the committee has had money making projects. They started out the year with a bang. The junior class ran the concession stand during home varsity football games. They also sold bagels during lunch hours. Experience paid off this year when the class float finally placed. "Sweet Revenge" was the theme and received third place. The junior prom is on the top of the list for success this year. The class is doing something new and is having the prom at the Junior College.

Freshmen Are Out Of

"Sail on to a Viking Victory," the Freshman float theme, carried the class of '84 to a second place, ahead of both the sophomore and junior classes. The float featured a five and a half foot Viking war ship of cardboard, napkins, and spray paint with a Viking head flag designed in cloth marker. It was constructed at the home of Marcie Cummings at a cost of just under one hundred dollars. There was enough money in the treasury to cover the cost of the work so no special projects were necessary.

The Freshmen Steering Committee organized in September to begin work on the 1980 float. Since that time the group has met and planned bake sales to raise money for the future Homecoming floats and their upcoming proms. Within the committee, suggestions had already been made in January, a full 8 months early, for their sophomore float.

The Freshmen Advisors are: Mr. Michael Patterson, Mr. William Philp, Mr. Ray Skrzyniarz, Mrs. Ellen Burns, Mr. James Venia, Mrs. Diana Gallagher, Mr. Thomas Hadden, Mr. David Schmorrow, Mr. William Goetz, Miss Clare Vivian, Ms. Jayne Zauner.

Freshmen surveyed have indicated that they enjoy the freedom that the high school has to offer in comparison to that at the Intermediate School. With the effort that they have displayed so far, the class should have little trouble meeting its goals in the future. One thing that they are looking forward to is a greater selection of classes. Many said that with upper classmen getting first choice some courses are filled by the time they get to schedule. Of course, losing the title "Freshmen" will be reward of its own.

Much time was spent on the 1981 VIKING. Putting together a theme co-ordinated book was this year's main project. "Games People Play" was a new beginning for the yearbook staff. With a new beginning came change, a new instructor, Ms. Zauner, with new ideas and a different style that unified our book.

Deadlines came very quickly for the staff. With sixty pages due each of the four deadlines, the class was very hectic.

Eight color pages highlight this years VIKING. Homecoming and both girls and boys sports cover these pages.

Busy, busy, busy. That is what the Marysville chapter of National Honor Society was this year. They started off with a trip to Michigan State University, on the 27th of September to see the M.S.U. opening football game. The members also went on a tour of State's beautiful campus.

Next, Ms. Riherd took ten students to the college fair at the Renaissance Center on October 5th. There was information about colleges and the scholarships they offer from over one hundred schools.

Money was the Society's next project. The club made a large profit by selling posters for Christmas.

All the money earned was put toward a Christmas party for the children at Woodlands. Games were played and refreshments served. NHS members learned a great deal about the mentally retarded.

In January they sponsored a tea party for all the Freshmen who successfully completed their first semester in the High School with a "B" average or better. This proved to be a positive reinforcement for many students.

Twice a month NHS sponsored Student Recognition. In this activity teachers were allowed to choose one student out of their entire day of classes who they felt was performing above and beyond the call of duty. This student would receive a certificate and have their name published in the school paper.

National Honor Society members are chosen by the Marysville faculty on the basis of character, scholarship, leadership, and their participation in school and community activities.

GIRLS' AND BOYS' STATE

Boys and Girls State is one of the many groups at Marysville High School. Students are selected by a scholarship and award committee. The Criteria to get elected to this group is that you have to demonstrate leadership, awareness of government, mental awareness, vigor, authority, responsibility and the ability to get along with people. The people pictured at left filled that tall order of character traits and were rewarded by Spring trips to Michigan State for boys and girls for one week.

Standing: Scott Hall, Bruce Petrick, Rob Vickstrom. **Sitting:** Mike Bowman, Doug Campbell, Tom Zauner, Deb Cochran, Cheryl Pavlik.

Woodland is a school for developing mentally disabled people, located on the I.S.D. lot near the Skill Center. Woodland Aides is a program which is set up so that juniors and seniors at Marysville High School can assist in the care of these students.

Teachers depend greatly on the aides for their services and assistance. Woodland Aides do a variety of tasks depending on the room placement they choose. Some examples of an Aides responsibilities include feeding of younger children, working on exercising programs or supervising in gym and swimming activities. A few of the High School Aides work on a one-to-one basis with some of the students. One very important reason Aides are needed at Woodlands is to act as models for the students, who imitate hair and clothing styles, as well as speech and manners.

Woodland students have regular homerooms with approximately 10 to 15 physically and mentally handicapped children. Many of the student Aides volunteer to work at Woodland because it gives them a responsibility and a sense of pride in what they are doing. It takes time and patience to teach even simple things but when an Aide can see the success of helping these students he/she is left with a great feeling of achievement. It takes a special kind of person to work with these people, because these people are very special.

Busy ... Busy ... busy is what the travel club members were this year. They had their calendar filler with trips, candy sales and a caroling party. It has been proven that Marysville High School has a VERY sweet tooth. The travel club's candy sales are very profitable. The three top candy sellers are Michelle Pavlo, Karen McNeill and Kim Porrett. The travel club also spread the Christmas joy this year by caroling at the Port Huron Hospital. The big activity this year is a trip to Chicago. Out of 32 members, 28 are going. "A very good percentage," comments Miss Butler. In Chicago they will explore the city's difference museums and shopping centers.

Plans were made for a spaghetti dinner in February. The French Club is out to make money for a future trip to France. Last year's trip was a success. All the members who went exclaimed that they had a great time. Another activity is the caroling party in December and of course some of the carols sung will be in French.

Under the supervision of Mr. Goetz, the Nature Appreciation Club has been a very active group in our community. This is their first year as an organization at MHS. The club gives each member the opportunity to actively promote, preserve and improve our environment. They've had several interesting activities. "Whale Week" was a very important part in the club this past year. It was one of their main goals, to save the whales of the world! In tribute, they sculptured a whale from snow and named it Omega. There were daily announcements giving facts about whales as well as factual posters around the school. They also have visited the Detroit Zoo, and have gone horsebackriding, camping, hiking, canoeing, and saw the S. Eastern Michigan Nature Center and had other fun-time services. Later in June they planned a Nature hike to Porcupine Mountains. They are looking forward to this weekend.

The officers of the group are as follows: President, Bonnie Smarch; V. President, Dan Curley; Secretary, Matt Vaness; and Treasurer, Jill Feick.

Mary, Deb, Kim and Debbie are four **dedicated workers**. They are four of the many leaders of the 1980-81 Student Council. This year the council started out the school year with a successful homecoming. Then to keep the "work" streak going, they sponsored a Christmas Dance and had a very good attendance. The 1980-81 Student Council donated a new popcorn machine to be used at Marysville's sports games. This year's council was an active group who had the determination to get things done, not started.

Floats Brighten Up Rainy Day

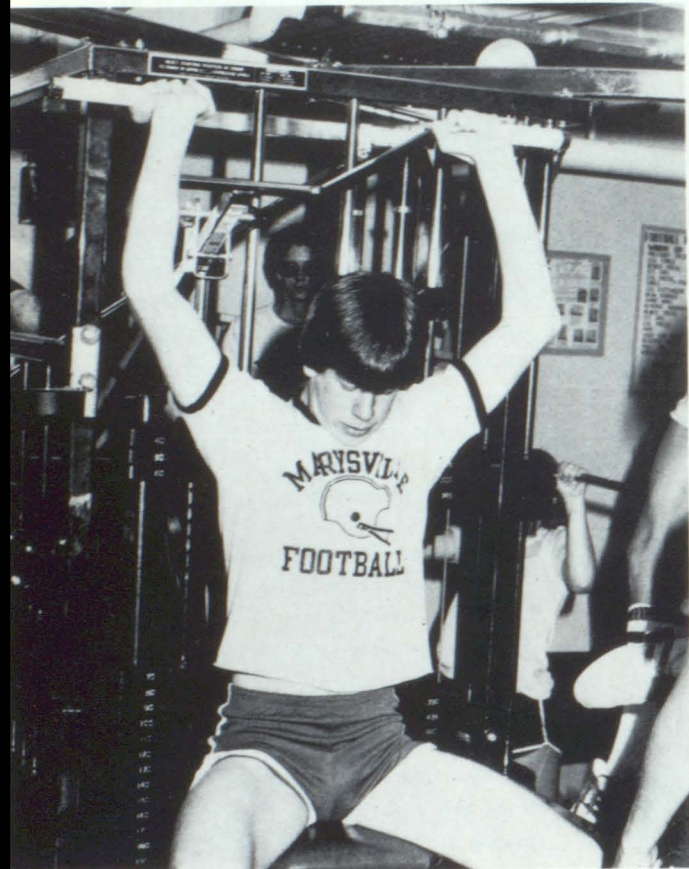

1. Seizing first place in the float competition was the Senior class. They had the "right number" with their theme "Hang It Up Mariners." All construction during the sixteen hours of regulation work time was done at the home of Jill Feick. Three weeks were spent in preparation before the construction began.

2. "Sweet Revenge" is exactly what the Junior class wanted, and they got it by taking third place ahead of the Sophomore class who beat them last year. Their candy land float was built at the home of John Hartig. The Class of '82 adjusted very well to the new Homecoming policies since this was the first year that they placed in the float competition.

3. "We'll Erupt With Power" was the theme of the Sophomore class float. Running into bad weather, they took Honorable Mention. Construction of the float was done at the home of Karen Dazer, and the Sophomores showed their school enthusiasm by a turnout of thirty students who consistently helped build the float.

4. Surprise! A Freshmen class with real talent in their first year of float construction. Getting right into the flow of things, their float "Set Sail to a Victory" received second place in the competition. The Viking Battleship was assembled at Marcie Cummings' house.

After 25 years coaching, 16 of these at MHS, he has a total record of 119 wins, 22 losses, and 1 tie with the Vikings. Coach Braun was chosen as the A.P. State Class B Coach of the Year for the 1979 season. He was the MHSFCA-Regional Coach of the Year in '74, '76, '77, and '79. He was also the Times Herald Coach of 1976-79. With a 7 win 2 loss record, the Viking Football Team shared the league title with St. Clair. Awards were the name of the game at the Sports Banquet. The Most Valuable Player Awards were given to Dan Mack and Pat Richards. The Townsend Outstanding Interior Linesman Award was received by Dave Gaffney and Brian Stionoff. This year's captains were Pat Richards and Dan Mack. Barry Braun and Todd Baker were chosen as next year's captains. Dedication really showed up in the 1980 season as 16 players received Four Year Awards, and 13 players qualified for the Iron Man's Club. Membership in the Iron Man's Club is limited to those members who play in every quarter of every Varsity Football game, and have perfect practice attendance (in pads), all during the season. The Oil Can Award, which is presented to the players who showed the most spirit and enthusiasm, was received by Dennis Socha and Joe Osentoski.

Coach Jackson has coached a total of seventeen seasons, seven of these being at Marysville. He is presently the defensive coach of the Varsity Football Team.

Coach Venia has coached 10 seasons, all of them at Marysville. Two as Freshman Football Assistant, and six as head JV coach. During his Varsity seasons, they won two league championships. He had the honor of being the first JV coach to speak at the Marysville High School Football Clinic.

A sports tradition at Marysville High School for many years has been exciting basketball. On a wintery Tuesday and/or Friday night, Viking fans can always warm up rapidly in the high school gym, enjoying quality basketball action put on by the Vikings. The 1981 basketball season was definitely no exception. Coach Jackson's Boys Varsity Basketball Team featured lots of strength, hustle, and incredible defensive ability. Good outside shots helped them out a lot. No one player was responsible for the team's success.

Teamwork was the name of the game as the Marysville Boys Varsity Basketball Team showed a -7 season record. With a league record of 9 wins and 3 losses, the team tied for second place in the league. Captain Steve Rymers took first place in the league for shooting average with an 18.9 game average. With this average, he placed third in the Blue Water Area. Scott Taylor placed 39 in the Area poll with an average of 11.9 points per game. Mike Maynard was the other Viking player on the poll. Mike took fiftieth place with an average of 10.1 points per game.

"This year's team was one of the hardest working and finest group of young women I ever had a chance to work with. They showed poise and desire, along with the ability to win," said a very proud Coach Allen. "They are a group of athletes the school and I, as well as the whole community can be very proud of. This season meant a lot to me. It was a hard working year, which paid off to be very rewarding. We set many goals, and we had fantastic results."

Coach Allen has been coaching for a total of fourteen years. Six of these years have been with the Girl's Varsity Basketball Team. He has a total record of 102-32 with the Vikettes. He was voted the 1980 Honorable Mention Associated Press All-State Coach of the Year. In his fourteen years of coaching, Coach Allen has never had a losing season. He was coach of the 1978, '79, '80 SCAL Champs. He was also the coach of the 1976, '79, '80 District Champs.

Set a goal; reach a goal. That was the name of the game. The team defeated Mt. Clemens twice, while Marysville had never beaten the Bathers before. The Vikettes beat L'Anse Creuse North, who were rated second in State, Class A. The overtime District game was a great accomplishment. Revenge continued to be great for the Vikettes as they went on to beat Bishop Foley, the team that knocked Marysville out of tournaments last year, in the first game of regionals.

Lisa Smyth was chosen to the All-Area 2nd team, and SCAL 1st team. The team chose Lisa Preston as the Most Improved Player and the player with the best Sportsmanship. Lisa Preston, along with Jamie Pioch and Lisa Juzysta, were chosen to the SCAL Honorable Mention Team. The Marysville High School's record book was rewritten for Brenda McLean.

Volleyball, by the very nature of the sport, is a game of "ups and downs." Like the sport, Viking's volleyball teams underwent a see-saw existence for the season. The Varsity team led by enthusiastic Coach Gallagher, got off to a rather disappointing start, then "bumped" back into "set" of things. The girls clearly proved that, in spite of early losses, they had the potential, skills, and WILL to win, and also the "spike" of power to bounce back and win even when things looked the darkest.

Varsity Volleyball

One of the major highlights of this season's team was that they beat Anchor Bay — the league tournament champions — both times during regular play. "I set team unity + physical, mental, and emotional development of the athlete as the most important goals to be achieved. Without achievement of those, winning has very little value. As for whether we've accomplished those goals — we've come a long way!" said Coach Gallagher. The team has a win-loss record of 5-7 in the SCAL. They had 5 wins and 14 losses overall. The 1981 Girl's Varsity Volleyball Team placed fifth in the SCAL.

They did two things very well — work and play. They had more parties and worked harder than any team I have ever coached," said Coach Patterson.

They ranked in the Top Ten over all. The cheerleaders tried something new this year and decided to make pep assemblies more spirited by getting students involved. It was a great success, according to MHS students who look forward to attending.

Boys' Varsity Club

Money making projects kept the members of the Boys' Varsity Club active. They worked at the concession stands at the boy's basketball games, sold cheese and sausage before Christmas, distributed sports calendars and set up the Port Huron Armory for the Teacher's Credit Union Dinner. Hopes were high that the money raised would be enough for a overnight canoe trip.

Just for "the fun of it" activity nights were held for swimming and hockey and the Girls' Varsity Club often joined.

After ten straight wins, the Boy's Freshman Basketball team suffered it's first loss to Cros-Lex.

Led by the team captain, Tim Smith, the 1980-81 boy's freshman team placed first in the SCAL with a record of 11 wins and 1 loss. They had an overall record of 15 and 1.

Mr. Knuth was the Freshman coach. He helped the team in many long hours of getting in shape and working on their game skills. A shoulder injury caused starter Steve Palmateer to miss part of the season.

J. V. Basketball

"Can't say enough about this team," said Coach Schmorow enthusiastically. The girls success has come from the teamwork and the good man-to-man defense. Their 18-2 record shows how terrific their season was. Also this was the largest number of games a girls J.V. team has ever won at Marysville. Beating a class A school, L'Anse Creuse North was the happiest part of the season for the J.V.'s. Cindy Mertz was chosen the captain by her teammates but unfortunately, a knee injury kept her out for the season.

With a record of 3-13 overall, 3-9 in the league, the 1981 Junior Varsity Volleyball team took fifth place in the league. The team was led by the good serving of Ellen McLean, Nichole James, and Kathy Benoit. They were also led by the good spiking of Ellen McLean and Tracy Mertz, and the controlled forearm pass of Sue Kim.

JV & Frosh Baseball

Teamwork, sportsmanship, and effort are the qualities that this year's J.V. Baseball team displayed. They had a good season this year, preventing almost every team they faced from winning.

The Freshmen baseball team has improved greatly during their 1980 season. The hard work and after school hours in practice paid off in their games. Their opponents had to really work hard to beat them. Their excellent performance was made possible by the outstanding performance efforts of Coach Quinlan.

The most improved player on the team was Teri Haggarty. Coach Burns thinks that the outlook for next season is good. She thinks the team is going to be better yet. A lot of new and good talent will be moving up and all the players have improved.

SENIOR OFFICERS

Planning began in September for the activities the Senior Class intended to take on. Beginning with float season, the Seniors had it all together. The float was constructed at the home of Jill Feick. Next came many long hours of planning. This year steering committee meetings were held at peoples homes instead of just after school. Members were chosen by the class officers and Senior advisors. Committees were chosen for every activity. By January announcements and caps and gowns were ordered, so those committees could relax. In February the class met with the School Board to get approval on having the Senior Prom at the Hillcrest, and all prom favors were ordered. In March the Seniors sponsored a candy sale in which they made a large profit. In April preparations began for the Senior Dinner. In June the Seniors presented a special gift to the school to show appreciation for all of the good times they had.

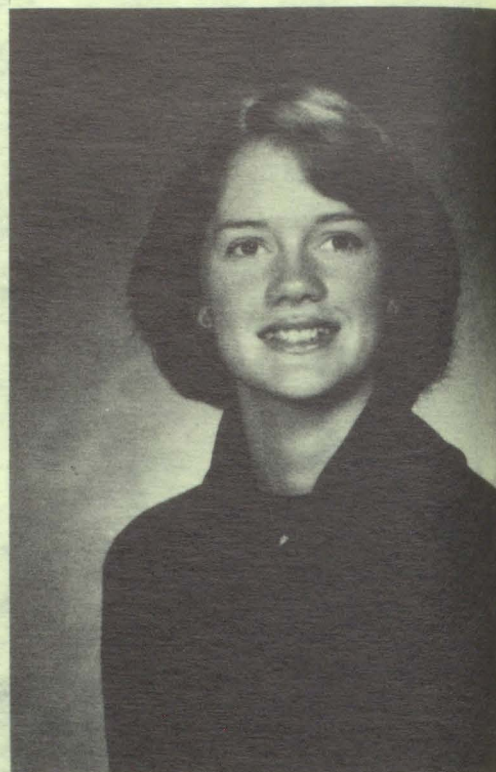

Senior Officers, Top to Bottom: Paul Neill, Treasurer; Cheryl Pavlik, Vice-President; Lori Wilson, Secretary; and Grea Saffee, President.

Valedictorian

It takes four years of consistent, superior work to be among the top academic students in high school and the competition is tough. But only ONE individual from the entire student body achieves the highest rank and is given the title "Valedictorian." With a grade point average of 3.976 after seven semesters in Marysville High School, Mary Troy leads the graduating class of 1981. Mary's excellent grades have earned her a partial scholarship to Western Michigan University and a commendation for her performance in the Merit Scholarship Competition.

Miss Troy's academic honors account for only a portion of her contributions to her class and the school. She has been part of the sports program as a member of the girls' track team. Her leadership ability is obvious from her elected position as President of Student Council. Her willingness to be of help to others was shown in her teacher's aide experience. Mary was a three year member of the National Honor Society. The Viking Staff is proud to announce Mary Troy as the Valedictorian of this year's Senior Class.

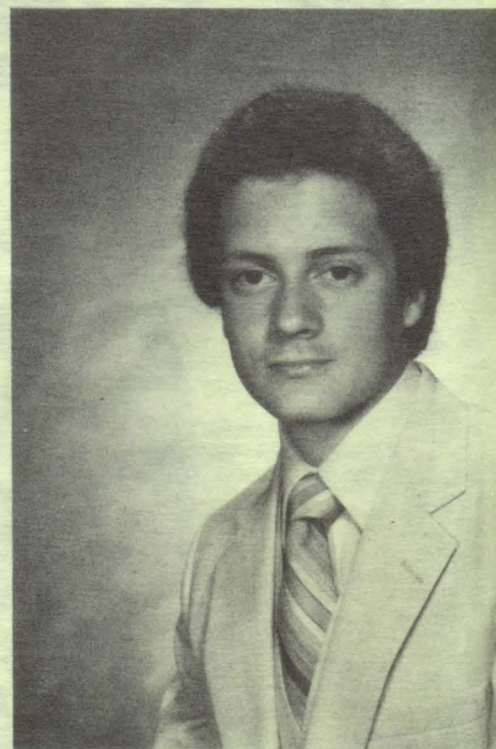

Salutatorian

Calvin Moulton Award

Salutatorian is the title given to the individual who is able through persistence to achieve the second highest rank in the entire Senior Class. The 1981 Salutatorian is Greg Saffee with a grade point average of 3.904 after seven semesters of high school. Mr. Saffee is indeed a credit to his school. During his senior year Greg held several leadership positions. One of these was President of the Senior Class. The French Club also hailed Greg as President. His many talents were also put to use in organizations like the Pep Club and the Student Council. Like Miss Troy, Mr. Saffee also gave a helping hand as a teacher's aide. Greg has been an active member of the National Honor Society for the past three years.

The Calvin Moulton Award, based on participation in activities both in and out of school, is given this year to Greg Saffee. Leadership is also considered in the selection of the winner. Only one student has been chosen this year for the award. The faculty committee's choice is influenced by consistent involvement during his four years at Marysville High School. Greg has been active in a variety of school functions and has proven himself deserving of this honor. Mr. Saffee's future plans include a college education and a career in accounting. The Viking Staff takes pleasure in publishing the accomplishments of the Calvin Moulton Award winner.

Many hours of extra work have been put in by these advisors over the last four years. Beginning in our freshmen year, Mr. Elsholz, assisted us with our float. Then in our sophomore year Ms. Riherd supervised a candy sale to build our treasury. In our junior year Mr. Puskarich and Ms. Riherd took charge of the concession stand during football season, while Mr.

Sazehn was busy planning for the Junior Prom. Mr. Meier was very seldom home for a two week span in October during the float season.

In our Senior year all of the advisors were kept busy. Mr. Katerberg was responsible for caps and gowns, Mr. Troy for announcements, Miss Arno and Ms. Riherd for the Senior Dinner, and Mr. Elsholz oversaw everything.

6. Greg Saffee was the man who made things happen for the Senior Class.

together they climb
 the mountain of life
 waterfalls of laughter
 fill their hearts,
 streams of hope
 flow through their souls,
 learning
 floods their minds,
 raindrops of tears often
 fill their eyes, but
 showers of courage fall
 bringing sunshine after the storm,
 waves of time leave
 traces of memories
 on the shores of their souls,
 into the ocean of experience
 they grope for answers
 this is the spirit of youth ...
 forever to shine.

**When you look for a job,
they'll ask for experience.**

Employers are looking for experience.

When you look for a bank to begin handling your accounts
you should ask for experience, too.

The bank with the most experience in St. Clair County is The
Commercial and Savings Bank. We've been helping people
and businesses continuously since 1871. That's experience!

By all means, your personal senior portrait should be different from everyone else's.

This may mean special lighting, clothing, and poses — whatever it takes to capture you at your best.

No assembly line, please!

At our studio we're prepared to put out that special effort to make your senior picture one that "captures the real you," and one that's worthy of this important event in your life!

Call us and see the difference!!
